

R6 - Action Research Planning Checklist

Name:-

Between now and the next session I need to have:

- ✓ Got the contact details of the facilitator and clearly understood what help is available to me
- ✓ Gone over my notes from this session and looked again at the resources
- ✓ Visited www.expansiveeducation.net to see examples of other people's action research
- ✓ Consulted with colleagues back at school
- ✓ Read and explored more about my chosen topic
- ✓ Searched the member only area of www.expansiveeducation.net for the profiles of other members to see if there is anyone who might be able to help me
- ✓ Made a realistic plan for about half a term's action research and settled on a start date in the near future
- ✓ Done any necessary preparatory work to ensure a smooth start
- ✓ **Completed my action research action plan (R4) and emailed to my tutor for feedback eednet@winchester.ac.uk**
- ✓ Started my action research
- ✓ Noted any issues I'd like to bring to the next session
